1. Reality

- What usually happens when a report is released? Why?
- What questions, topics, analysis, or findings have:
 - generated the most discussion?
 - not resonated?

2. Wish list

- What questions or conversations do you wish would happen?
- What do you wish stakeholders knew?
- What tools do you wish they had?

3. Mind the gap

- What tools have you found effective in communicating with stakeholders or generating impact?
- What changes have you already tried to increase impact?

4. Bridge the gap

- What is needed to bridge the gap?
- Discuss one or two ideas you heard today that you would like to try.
