2025 NCSL Task Force on Artificial Intelligence, Cybersecurity and Privacy Meeting

Grand Hyatt Tampa Bay | Tampa, Fla. | Feb. 7-8, 2025

Agenda

This meeting is made possible through the generous support of the NCSL Foundation for State Legislatures.

FRIDAY	FEB. 7, 2025	
TIME	**SESSION DESCRIPTION**
Noon-1:00 p.m.	**Welcome Lunch and Networking	Starling	14th Floor**
1-1:30 p.m.	**Presentation from the Institute of Applied Engineering at the University of South Florida** The institute is dedicated to advancing national security and has provided the Department of Defense with diverse capabilities, safeguarding and enhancing the capabilities of our warfighters. • Taylor Johnston - chief operating officer, USF Institute of Applied Engineering
1:30-2 p.m.	**Presentation by Retired General Kenneth F. "Frank" McKenzie, director, Cyber Florida, Tampa, Fla.** • The Florida Center for Cybersecurity, also known as Cyber Florida, was created by the Florida State Legislature in 2014 within the University of South Florida to help Florida become a national leader in cybersecurity education, academic and practical research, and community outreach and engagement. While part of the University of South Florida, Cyber Florida works on behalf of the State of Florida at large, often carrying out special projects on behalf of the Florida Legislature, to help the citizens, businesses, and organizations of Florida stay safer in cyberspace

2-2:15 p.m.	**Transition to Tours**
	
	• Buses will depart promptly at 2:15 p.m.
	• Please see the back of your name badge for tour assignment
	    o Center for Advanced Medical Learning and Simulation: Bus 1
	    o Tampa Port Authority: Bus 2

2:30-3:30 p.m.	**Tour of the Center for Advanced Medical Learning and Simulation** • Guided tour of the state-of-the-art simulation center, which provides hands-on training for medical professionals through advanced technology and immersive learning environments.

ncsl.org | @NCSLorg

Denver 7700 East First Place, Denver CO 80230 | **Washington D.C.** 444 North Capitol Street, N.W. Suite 515, Washington, D.C. 20001

2:30-3:30 p.m.	**Tampa Port Authority Tour of Tampa Bay Boat Tour** • Port Tampa is the largest and most cargo diverse port in Florida. It plays a crucial role in the regional economy, supporting over 85,000 jobs and generating an economic impact of more than $17 billion annually. Port Tampa handles 33 million tons of cargo each year and spans approximately 5,000 acres. It offers weekly containerized cargo services and is a major cruise homeport. Port Tampa is strategically located to serve the Tampa Bay/Orlando I-4 Corridor, which is home to a large concentration of distribution centers and allows for efficient distribution throughout Florida and beyond. The Port Tampa boat tour will offer an educational overview of the Port and highlight the operations of the region's largest economic engine.
3:45-4:45 p.m.	**Group Discussion and Roundtable with Cyber Florida** • James Jacobs - associate director of Partnerships and Policy, Cyber Florida
